

The Valladolid Association

Minutes of the Meeting of the Valladolid Association, held June 2000 in the Raven Hotel, Drotiwich

Welcome

The meeting opened with a prayer and the President welcomed the 36 members who were present

54 members sent apologies for not attending this meeting

Minutes

Of the previous meeting were approved and proposed as a true record by Rev M Kujacz, seconded by Mgr J Ryan

Matters Arising

There were no matters arising

Correspondence

A Fax has been sent from the Students wishing us well. The Secretary will send a fax back thanking them and reciprocating the good wishes

Financial Statement

Copies were made available, the Secretary noting the number of people who - do not respond to the notification of the meeting.

This was seen as a way of keeping in touch, yet at the same time people do not seem to want to have any information. It was proposed after some discussion that the year book for 2001 notify the change that there is to be a moratorium of 1 year for people to decide if they wish to receive further information from the Association. If not then they will be removed from the mailing list

Proposed by Rev A Joyce, seconded by Rev M Kujacz and accepted nem com.

Crown for the "Vulnerata"

There has to date been received some £1900, the whole thing costing £300. A question was asked as to whether the Association could top up the money. Members felt that a letter asking for donations had already been sent and that

if the Association did top up then some people would be paying twice. it was agreed then to leave the contributions up to individuals.

President 2001

This is a difficult task since both members are not in contact with the Association. The Secretary will contact them and ask both of them if they wish to stand. In the contrary case then the Rector will preside over the Association next Year.

(2001, both members have not responded so Mgr Dooling is to Preside)

All 3 are duly elected.

Proposals Received:

Possibility of Gift Aid: The Association is not a Charity but the College is, so gift Aid can be made to the College but not the Association. However the principle of Gift aid is to be explored with Jerry Rigden liaising with Nicholas. It could be

that the turn over of the Association is not worth the trouble of forming a Charity.

Proposal of Ron Hishon re place of meeting: Ron is not here to speak to the proposal so the meeting moved on

Place of next meeting

Droitwich proposed by Rev B Jones, seconded by Rev M Tomkins,
